

The FAA Safety Team presents:

# CORTLAND AIRFEST 2010!

Exclusive FAA Safety Team briefing by featured speaker Jim Ambrose. Jim is an active flight instructor and FAA Safety Team Representative, who will present an interactive Workshop on the basics of takeoffs and landings and the challenges and safety issues in low level maneuvering. This special workshop will include a case study review on the awareness and decision making process for evaluating safe flight with regards to the operating limitations of the aircraft. Don't miss it!

**Directions:** Main Terminal.
